Item description: Quoizel has reproduced in great detail and breathtaking elegance the classic Laburnum table lamp. This museum quality showpiece is truly stunning with nearly 2 000 pieces of handcut art glass in the shade. The original pattern for this lamp was produced in limited numbers from 1900 to 1910. It was first done in vibrant yellows and then in soft pinks and lavenders as seen here in these brilliantly cascading blossoms. The lovely footed base in finished an authentic bronze patina.
